North Carolina Total Retirement Plans

Dale R. Folwell, CPA
STATE TREASURER OF NORTH CAROLINA
DALE R. FOLWELL, CPA

Dear North Carolina retirement benefit recipient,

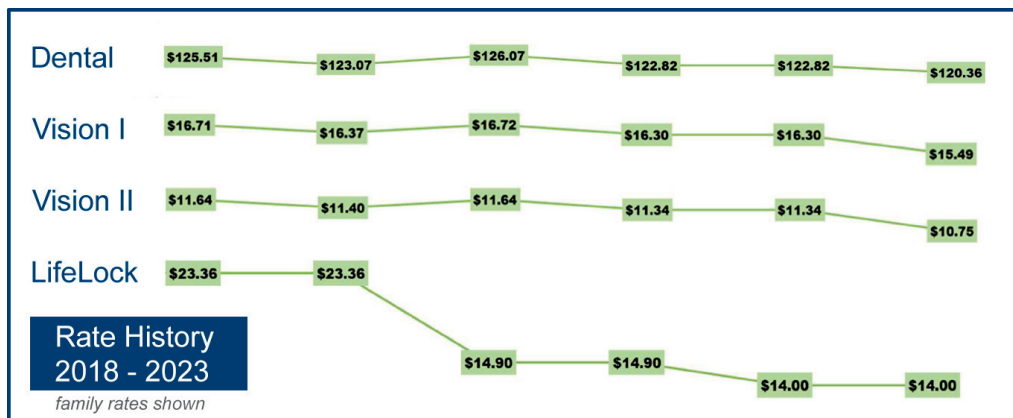

Welcome to your supplemental benefits Open Enrollment for plan year 2024. We are pleased to offer the following benefits to you as a North Carolina Retirement Systems' retiree:

- UnitedHealthcare: Dental
- UnitedHealthcare: Vision
- LifeLock by Norton: Identity Theft Protection

Dale R. Folwell, CPA
North Carolina State Treasurer

The Department of State Treasurer (DST) consistently works toward cost-effective options for our retirees. The past four years have seen substantial premium savings and better coverage. The dental and vision premium savings for plan year 2023 totaled \$1.7 million. The savings for plan year 2021 were \$1.7 million, and 2020 led to a one-time premium reduction of nearly \$2.3 million. Identity theft protection is now a premier plan with the lowest premiums to date. Through these negotiations, we have put your collective buying power to work. In fact, the past six years have realized a consistent reduction in premiums for retirees taking advantage of these supplemental insurance offerings.

I encourage you to review the enclosed materials from Pierce Insurance Agency, Inc., and carefully consider these options. If you choose to participate, these payments can be deducted directly from your monthly retirement benefit, direct billed, or paid by bank draft.

To participate in dental, vision, and/or identity theft protection, you must complete your enrollment by the following deadlines:

- For **retirees currently enrolled** who want to make changes to their plan or enroll in additional plans, complete the open enrollment process by October 31.
- For **retirees currently enrolled** who have no changes to report, no action is necessary.
- For **retirees not currently enrolled** who wish to enroll, complete the open enrollment process by October 31.
- For **new retirees**, complete the enrollment process within 60 days upon receiving your first retirement benefit payment.

For additional details or specific questions, please contact Pierce Insurance Agency, Inc., at 855-627-3847 or online at ncretiree.com. Thank you for serving the citizens of North Carolina.

Sincerely,

Dale R. Folwell, CPA

Frequently Asked Questions

If my spouse is still working and has a dental plan, can that spouse still be enrolled under the Retirees' dental plan?

Yes, your spouse can be enrolled through the Retirees' dental plan and have dual coverage. Coordination of benefits will apply.

Where are my claims processed?

Dentists will usually submit claims on behalf of our members. Should you need to submit claims, please send the claim form and bills to: UnitedHealthcare Dental, Attn: Claims Unit, P.O. Box 30567, Salt Lake City, UT 84130-0567.

If I have questions about my claims, eligible benefits, and plan coverage, who do I call?

Questions regarding your UnitedHealthcare Dental Policy and Claims can be answered by calling Customer Care at 877-905-0659.

Must I choose between Diagnostic and Preventive, Basic or Major Restorative Services?

No, all three types of coverage are included in your dental plan.

What is the \$25 deductible?

The deductible is per person, per calendar year for Basic or Major Services. This deductible does not apply to Preventive and Diagnostic Services (such as exams and cleanings).

How do I know if my provider participates with UnitedHealthcare Dental?

To verify if your provider participates with UnitedHealthcare Dental, ask your provider or contact UnitedHealthcare Dental at 877-905-0659 before services are performed. You may also nominate your provider by calling UnitedHealthcare Dental, 877-905-0659 or myuhc.com and completing a Provider Nomination Form.

If I am enrolled in another plan and I want to enroll in this plan, will the other plan be automatically canceled or replaced?

No. New enrollees are responsible for **canceled** other coverage even if the other coverage is pension-deducted from your retirement benefit. The new plan coverage will not automatically cancel or replace any other coverage you may have that is provided by other organizations or associations.

What is a pre-determination?

When you are anticipating expensive dental charges over \$500, have your provider submit a pre-determination estimate to UnitedHealthcare. The response to this will tell you what the plan will pay for certain procedures and what charges you may have out of pocket.

How do I terminate coverage after a life changing event?

If there is a life event where coverage needs to be terminated, please notify Pierce Insurance at 855-627-3847 no later than 180 days after the event. Please note: Failure to report life changing events within the allotted time frame will result in overpayment of premium and premium refund cannot be issued beyond 12 months per UnitedHealthcare policy.

Exam and Materials Plan / Materials Only Plan

1. Network Benefits: Materials copays and patient options are paid to the network provider by the plan participant.

2. Out-of-Network Benefits: The plan participant pays full fee to the provider and UnitedHealthcare Vision reimburses the retiree for services rendered up to maximum allowance. There are no copays or deductibles.

3. Frame Benefit: UnitedHealthcare Vision's frame benefit applies to virtually all of the frames on the market today, and most of those are covered in full, with no additional cost to the retiree, other than applicable co-pay. With UnitedHealthcare Vision's frame benefit, plan participants receive a \$130.00 retail or private practice frame allowance for frames purchased at retail chain or private practice providers, and for any frame above \$130.00, the retiree will only pay the difference.

4. Contact Lens Benefit: Contact lenses are provided in lieu of eyeglasses (lenses and frame). UnitedHealthcare Vision's contact lens benefit covers in-full (after applicable copayment) the fitting/evaluation fees, contacts (including up to four boxes of disposables, depending on prescription), and up to two follow-up visits. An allowance is applied toward the fitting/evaluation fees and purchase of contact lenses outside of UnitedHealthcare Vision's covered-in-full contacts (materials copay does not apply). Toric, gas permeable and bifocal contact lenses are all examples of contacts that are outside of our covered-in-full selection.

5. Necessary contact lenses are determined at the eye care provider's discretion for one or more of the following conditions: Following cataract surgery without intraocular lens implant; To correct extreme vision problems that cannot be corrected with spectacle lenses; With certain conditions of anisometropia; With certain conditions of keratoconus. If an out-of-network provider considers contacts necessary, retirees should ask their out-of-network provider to contact UnitedHealthcare Vision concerning the reimbursement that UnitedHealthcare Vision will make before they purchase such contacts.
