AMOUNT OF INSURANCE

The amount of your insurance is determined by the Schedule of Insurance in the Policy. The initial amount of coverage is the amount which applies to your classification on the day your coverage becomes effective. You may become eligible for increases in the amount of insurance in accordance with the Schedule of Insurance.

Any such increase will be effective on:

- (1) the Policy anniversary date which coincides with or follows the date on which you become eligible for the increase; provided you are Actively at Work on that day;
- (2) the day you resume Active Work, if not Actively at Work on the day the increase otherwise would have been effective; or
- (3) the day determined by the Company after any required evidence of insurability is approved by the Company.

Any decrease will take effect on the Policy anniversary date which coincides with or follows the day of the change, whether or not you are Actively at Work.

- (1) the Policy's date of issue; or
- (2) the day you complete the Waiting Period.

WAITING PERIOD. (See Schedule of Insurance).

EFFECTIVE DATES OF COVERAGES

Your insurance is effective on the latest of:

- (1) the day you become eligible for the coverage;
- (2) the day you resume Active Work, if you are not Actively at Work on the day you become eligible;
- (3) the day you make written application for coverage; and sign:
 - (a) a payroll deduction order; or
 - (b) an order to pay premiums from your Flexible Benefit Plan account, if Employer contributions are paid through a Flexible Benefit Plan; or
- (4) the first day of the Insurance Month following the date the Company approves your coverage, if evidence of insurability is required.

Evidence of insurability is required if:

- (1) you apply for coverage in excess of the Guaranteed Acceptance Amount;
- (2) you apply to enroll for or increase coverage more than 31 days after you become eligible;
- (3) you make written application to re-enroll for coverage after you have requested:
 - (a) to cancel your coverage;
 - (b) to stop payroll deductions for the coverage; or
 - (c) to stop premium payments from your Flexible Benefit Plan account; or
- (4) you apply to reinstate coverage after it lapses, due to failure to pay premiums when due.

EXCEPTION. If your coverage terminates due to an approved leave of absence or a military leave, any Waiting Period or evidence of insurability requirement will be waived upon your return; provided:

- (1) you return within six months after the leave begins;
- (2) you apply or are enrolled within 31 days after resuming Active Work; and
- (3) the reinstated amount of insurance does not exceed the amount which terminated.

TERMINATION OF COVERAGE

Your coverage terminates on the earliest of:

- (1) the day the Policy terminates or your Employer ceases to be a Participating Employer;
- (2) the last day of the Insurance Month in which you request termination;
- (3) the last day of the period for which the premium for your insurance has been paid;
- (4) the day you cease to be a member of an employee class or die;
- (5) with respect to any particular insurance benefit, the day the part of the Policy providing that benefit terminates;
- (6) the day your employment with the Employer terminates; or
- (7) the day you enter the armed services of any state or country on active duty; except for duty of 30 days or less for training in the Reserves or National Guard. (If you send proof of military service, the Company will refund any unearned premium.)

Ceasing Active Work terminates your eligibility. However, you may continue coverage as follows:

- (1) If you are disabled due to illness or injury, then coverage may be continued until the earliest of:
 - (a) 12 Insurance Months after the disability begins;
 - (b) the date you are no longer disabled; or
 - (c) for Life insurance, the date you qualify for the Extension of Death Benefit under the Policy.

The required premium payments must be received from the Employer throughout the period of continued insurance.

- (2) If you go on an approved Family or Medical Leave and are **not** entitled to the more favorable continuation during disability, coverage may be continued until the earliest of:
 - (a) the end of the leave period approved by the Employer;
 - (b) the end of the leave period required by federal law, or any more favorable period required by a similar law;
 - (c) the date you notify your Employer that you will not return; or
 - (d) the date you begin employment with another employer.

The required premium payments must be received from the Employer throughout the period of continued insurance.

- (3) If you go on a military leave, coverage may be continued for the greater of:
 - (a) the same period allowed for an approved Family or Medical Leave; or
 - (b) any more favorable leave in which employees with similar seniority, status, and pay who are on furlough or leave of absence are granted by the Employer.

The required premium payments must be received from the Employer throughout the period of continued insurance.

- (4) If you cease work due to a temporary lay off, or due to an approved leave of absence (other than an approved Family or Medical Leave or a military leave), then coverage may be continued for three Insurance Months after the lay off or leave begins. The required premium payments must be received from the Employer throughout the period of continued insurance.

Conditions. In administering the above continuations, the Employer must not act so as to discriminate unfairly among Insured Persons in similar situations. You will be required to pay the Employer the premium you would have been required to pay as an Active Employee throughout the period of continued coverage.

It may be possible to continue insurance for a longer period in accord with the Portability Privilege section of the Certificate. The Portability Privilege section of this Certificate is not applicable when Policy coverage terminates solely because your spouse or child ceases to be an eligible Dependent; your Employer ceases to be a Participating Employer; or the Policy terminates.

If all or part of anyone's life insurance under the Policy terminates due to:

- (1) your Employer ceasing to be a Participating Employer;
- (2) your termination of membership in an eligible class; or
- (3) a dependent's ceasing to be an eligible family member as a result of your death or divorce, or a child's marriage or attainment of limiting age;

see the Conversion Privilege section of this Certificate.

PORTABILITY PRIVILEGE

This section applies to any Personal Life Insurance, Dependent Life Insurance, and Accidental Death and Dismemberment Insurance provided by the Policy. Such insurance may be continued, by paying the required premiums, when:

- (1) your employment with the Employer ends for a reason other than Total Disability or retirement; and
- (2) the insurance has been in force for at least 12 months in a row just prior to the date employment ends.

To continue insurance, written application and the first premium payment must be made to the Company, within 31 days of the date insurance would otherwise end.

AMOUNT OF COVERAGE. The amount of continued insurance may not exceed the amount in force when employment ends. During the continuation period:

- (1) the amount of insurance may not be increased; and
- (2) additional dependents may not be enrolled for Dependent Life Insurance.

Continued insurance will be subject to any reduction on account of age, as shown in the Schedule of Insurance.

You may decrease the amount of continued insurance at any time, by completing a request form supplied by the Company. The decrease will take effect on the first day of the Insurance Month after the Company receives the request.

PAYMENT OF PREMIUM. Timely payment of premium must be made directly to the Company, throughout the period of continued insurance. The required premium will equal:

- (1) premium at the group rate which would apply if you remained actively employed with the Employer; plus
- (2) a direct billing fee based on the premium frequency chosen.

The premium frequency may be changed by sending the Company advance written request on forms supplied by the Company. Such request may be sent at any time while continued insurance is in force; but not during a Grace Period.

TERMINATION OF COVERAGE. Continued insurance will end on the earliest of:

- (1) the date insurance has been continued until you attain the Social Security Normal Retirement Age; or
- (2) the date insurance would otherwise end if you remained an Active Employee; but continued coverage will not end when the Policy is discontinued by the Employer.

When continued insurance ends, you or your Dependent may be entitled to purchase an individual life policy, in accord with the Conversion Privilege section of this Certificate.

**DEATH BENEFIT
For Employees Only**

The amount of your Personal Life Insurance which is in effect on the date of your death will be paid as a death benefit to your Beneficiary. If no named Beneficiary survives you, the death benefit will be paid to your estate or in accord with the terms of the Policy. Arrangements may be made to have this death benefit paid in installments.

EXCLUSION. Benefits will not be payable if your death:

- (1) results from suicide while sane; and
- (2) occurs within two years after your Personal Life Insurance takes effect.

However, suicide is no defense to payment of life insurance benefits under the Policy unless the Company can show that you intended suicide when applying for the insurance.

BENEFICIARY

Your Beneficiary will be as shown on your enrollment card, unless changed. Only you or your assignee may change the Beneficiary. A new Beneficiary may be named by filing a written notice of the change with the Company at its Group Insurance Service Office. The change will be effective as of the date it was signed; subject to any action taken by the Company before it received notice of the change.

**EXTENSION OF DEATH BENEFIT IF YOU
BECOME TOTALLY DISABLED
For Employees Only**

Any Personal Life Insurance on your life will be continued, without payment of premiums; if while you are insured:

- (1) you become Totally Disabled before you reach age 60; and
- (2) you submit proof of your disability which is received by the Company:
 - (a) within 12 months after your Total Disability begins; or
 - (b) as soon as reasonably possible after that.

Upon receipt of such proof, the Company will refund all premiums paid for your coverage from the date Total Disability began.

The life insurance continued will be subject to the reductions and terminations shown in the Policy.

DEFINITION OF TOTAL DISABILITY. For this benefit, Total Disability:

- (1) means you are unable, due to sickness or injury, to perform the material and substantial duties of any employment or occupation for which you are or become qualified by reason of education, training, or experience; and
- (2) must continue for at least 180 days.

From time to time, you must submit proof that your Total Disability is continuing.

Any life insurance which has been continued under this benefit will be terminated automatically on the day:

- (1) you cease to be Totally Disabled;
- (2) you fail to take a required medical examination;
- (3) you fail to submit any required proofs; or
- (4) you reach Social Security Normal Retirement Age (SSNRA), as shown in the Schedule of Insurance.

ASSIGNMENTS

Personal Life Insurance and Accidental Death Insurance may be assigned. The assignments allowed under the Policy are absolute assignments and funeral assignments as described below.

No assignment will be binding on the Company unless and until:

- (1) it is made on a form furnished by the Company;
- (2) the original is completed and filed with the Company at its Group Insurance Service Office;
and
- (3) it is approved by the Company.

The Company and the Employer do not assume responsibility for the validity or effect of an assignment.

ABSOLUTE ASSIGNMENTS. You may make an irrevocable assignment of your Personal Life Insurance and Accidental Death Insurance as a gift (with no consideration), providing you have the legal capacity and the mental capacity to do so. It may be made to a trust or to one or more of your relatives, their estates, or to a trustee of a trust under which one of the relatives is a beneficiary.

The term "relatives" includes, but is not limited to, your spouse, parents, grandparents, aunts, uncles, siblings, children, adopted children, stepchildren, and grandchildren.

In some states, community property is an established form of ownership that must be considered in making an assignment. If you make an absolute assignment to two or more assignees, such assignees will be joint owners with the right of survivorship between them. You should consult with your own legal advisor before making an assignment.

Once the assignment has been recorded by the Company, you can no longer change the beneficiary and cannot apply for conversion. Only the assignee can change the beneficiary designation if the previous designation is revocable. An assignment will have no effect on a prior irrevocable beneficiary designation. Only the assignee can apply for conversion but only when the Conversion Privilege provision would have been available to you in the absence of the assignment under the Policy.

An absolute assignment cannot be used as a collateral assignment.

FUNERAL ASSIGNMENTS. Upon your death, the beneficiary may assign the Personal Life Insurance benefit and Accidental Death Insurance benefit to a funeral home for payment of burial expenses. After payment has been made for the burial expenses to the assigned funeral home, the remaining death benefit is then paid in accord with the Beneficiary and Settlement Options sections of the Policy.

CONVERSION PRIVILEGE

GENERAL CONVERSION PRIVILEGE. If your insurance or insurance on a Dependent terminates due to:

- (1) termination of your employment or membership in an eligible class; or
- (2) a dependent's ceasing to be an eligible family member due to your death or divorce, or a child's marriage or attainment of the limiting age;

then an individual life policy, known as a conversion policy, may be purchased without evidence of insurability.

To purchase a conversion policy, application and payment of the first premium must be made within 31 days after the life insurance is terminated.

The conversion policy issued under this General Conversion Privilege will:

- (1) be in an amount not to exceed the amount of life insurance which was terminated; less the amount of any group life insurance for which the person becomes eligible within 31 days after insurance terminates;
- (2) be on any form (except term) then issued by the Company at the age and amount for which application is made;
- (3) be issued at the person's age at nearest birthday;
- (4) be issued without disability or other supplemental benefits; and
- (5) require premiums based on the class of risk to which the person then belongs.

CONVERSION UPON POLICY TERMINATION OR AMENDMENT. A conversion policy also may be purchased if:

- (1) all or part of your insurance or insurance on a Dependent terminates due to amendment or termination of the Policy; and
- (2) the person applying for the conversion Policy has been covered continuously under the Policy for at least 5 years.

A conversion policy issued due to Policy termination or amendment will be subject to the same conditions as a policy issued under the General Conversion Privilege; except its amount may not exceed the lesser of:

- (1) \$10,000; or
- (2) the amount of life insurance which terminates, less the amount of any group life insurance for which the person becomes eligible within 31 days after the termination.

The conversion policy will take effect on the later of:

- (1) its date of issue; or
- (2) 31 days after the date the insurance terminated.

If death occurs during the 31 day conversion period, the Company will pay the life insurance which could have been converted even if no one applied for the conversion policy.

NOTICE. When your insurance terminates, written notice of your right to convert will be given to you. If written notice is not given to you at least 15 days before the end of the 31 day conversion period, an additional period in which to convert will be granted. Any such extension of the conversion period will expire on the earliest of:

- (1) 15 days after you are given the written notice; or
- (2) 60 days after the end of the 31 day conversion period, even if you are never given such notice.

No death benefit will be payable under the Policy after the 31 day conversion period has expired even though the right to convert may be extended.

DEPENDENTS LIFE INSURANCE

DEATH BENEFIT. If your Dependent spouse or child dies while insured under the Policy, the Company will pay the amount of Dependents Life Insurance in effect on the date of the death. This amount is shown in the Schedule of Insurance. The death benefit will be paid to you. If you are not living when your Dependent dies, the death benefit will be paid to your beneficiary or in accord with the Facility of Payment section of the Policy.

EXCLUSION. Benefits will not be payable if your Dependent's death:

- (1) results from suicide, while sane; and
- (2) occurs within two years after insurance for that Dependent takes effect.

However, suicide is no defense to payment of life insurance benefits under the Policy unless the Company can show that your Dependent intended suicide when applying for the insurance.

DEPENDENT. A Dependent means a person who meets the definition of a dependent of yours under the provision of the U.S. Internal Revenue Code; and is your:

- (1) spouse who is not legally separated from you;
- (2) unmarried child at least 1 day but less than 26 years of age;
- (3) unmarried child less than 26 years of age and a full-time student at an accredited college or university; or
- (4) unmarried child who is totally and permanently disabled and who became so disabled prior to reaching 26 years of age.

A legally adopted child is considered your child from the date of placement in your home for an agency adoption; or from the date the adoption petition is filed, if later, for a private adoption. In addition to naturally born and legally adopted children, the word "child" includes your stepchild or foster child; provided the child resides in your household and is dependent on you for principal support. If more than one of a child's parents are insured under the Policy, that child may be insured under only one Certificate.

The term Dependent does not include an Insured Person, or anyone serving in the armed forces of any state or country.

ELIGIBILITY. You become eligible for Dependents Life Insurance on the later of:

- (1) the date you become eligible for other coverages provided by the Policy;
- (2) the effective date of this section; or
- (3) the date you first acquire a Dependent (as defined by the Policy).

EFFECTIVE DATE. Your Dependents Life Insurance will become effective on the later of:

- (1) the date you become eligible for Dependents Life Insurance;
- (2) the first day of the Insurance Month following the date you sign your payroll deduction order and apply for the coverage; or
- (3) the first day of the Insurance Month following the date the Company approves any required evidence of insurability on all your Dependents.

If you acquire a new Dependent child while insured for Dependents Life Insurance, his or her insurance will become effective on the date the Dependent is acquired.

DELAYED EFFECTIVE DATE. If a Dependent is in a Period of Limited Activity on the day his or her Dependent Life Insurance would otherwise take effect; then insurance for that Dependent will not take effect until the day after:

- (1) his or her final discharge from the health care facility; or
- (2) resuming the normal activities of a healthy person of the same age and sex.

"Period of Limited Activity" means a period when a spouse or child is confined in a health care facility; or, whether confined or not, is unable to perform the regular and usual activities of a healthy person of the same age and sex.

DEPENDENTS LIFE INSURANCE (Continued)

EVIDENCE OF INSURABILITY. Each of your Dependents must submit evidence of insurability satisfactory to the Company, if you:

- (1) apply for Spouse Life Insurance in excess of the Guaranteed Acceptance Amount;
- (2) apply to enroll for or increase Spouse Life Insurance more than 31 days after:
 - (a) first becoming eligible for Dependent Life Insurance; or
 - (b) first acquiring an eligible spouse;
- (3) apply to enroll for or increase Children's Life Insurance more than 31 days after:
 - (a) first becoming eligible for Dependent Life Insurance; or
 - (b) first acquiring an eligible child;
- (4) apply for Dependents Life Insurance after requesting:
 - (a) to terminate the Dependents Insurance; or
 - (b) to cancel premium payments by payroll deduction or through a Flexible Benefits Plan account; or
- (5) apply to reinstate continued Dependents Life Insurance after it lapses due to failure to pay premium when due.

TERMINATION OF DEPENDENTS INSURANCE. Your Dependents Insurance for any spouse or child will cease on the earliest of:

- (1) the date the Policy terminates or your Employer ceases to be a Participating Employer;
- (2) the date Dependent Insurance is discontinued under the Policy;
- (3) the last day of the Insurance Month in which termination is requested;
- (4) the last day of the Insurance Month for which premium payment is made for such Dependents Insurance;
- (5) the date you cease to be in a class of employees which is eligible for Dependents Insurance or die;
- (6) the date your spouse or child ceases to be an eligible Dependent, as defined by this section;
- (7) the date your employment with the Participating Employer ends; or
- (8) the date you or your Dependent enters the armed services of any state or country; except for duty of 30 days or less in the Reserves or National Guard. (If you send proof of military service, the Company will refund any unearned premium.)

Dependents Insurance for your Dependent children will also cease on:

- (1) the date your Personal Life Insurance ceases, if the child is enrolled under an Employee and Children's Plan; or
- (2) the date Spouse Insurance for your spouse ceases, if the child is enrolled under a Spouse and Children's Plan.

When Dependents Insurance ceases because your employment ends, it may be possible to continue coverage in accord with the Portability Privilege section of this Certificate. When Dependents Insurance ceases for any reason except nonpayment of premium, it may be possible to purchase an individual life policy in accord with the Conversion Privilege section of this Certificate.

MISSTATEMENT OF AGE. If the age of a Dependent has been misstated, premiums will be subject to an equitable adjustment. If the amount of benefit is dependent upon age, the benefit will be that which would have been payable based upon the Dependent's correct age.

ASSIGNMENT. Dependents Insurance may not be assigned.

INCONTESTABILITY. Except for nonpayment of premiums, the Company may not contest the validity of the Policy as to any Dependent, after it has been in force for two years during the lifetime of that Dependent. This clause will not affect the Company's right to contest claims made for accidental death or dismemberment benefits.

- (1) you sustain an accidental bodily injury while insured under this provision; and

To qualify, you must:

- (1) have satisfied the Active Work requirement under the Policy;

 - (a) on the date of an injury which results in a Terminal condition; or
 - (b) for 30 days before being diagnosed Terminal as a result of sickness; and

To qualify, your Terminal Dependent spouse must:

- (1) have satisfied the Nonconfinement or Period of Limited Activity requirement under the Policy;
- (2) have been insured under the Policy:
 - (a) on the date of an injury which results in a Terminal condition; or
 - (b) for 30 days before being diagnosed Terminal as a result of sickness; and
- (3) have at least \$2,000 of Spouse Life Insurance under the Policy on the day before the Accelerated Death Benefit is paid.

Receiving the Accelerated Death Benefit will reduce the Remaining Life Insurance and the Death Benefit payable at death, as shown on the next page.

"Claimant," as used in this section, means the Terminal Insured Person or Terminal Dependent spouse for whom the Accelerated Death Benefit is requested.

"Terminal" means you or your Dependent spouse has a medical condition which is expected to result in death within 12 months, despite appropriate medical treatment.

APPLYING FOR THE BENEFIT. To withdraw the Accelerated Death Benefit, you (or your legal representative) must send the Company:

- (1) written election of the Accelerated Death Benefit, on forms supplied by the Company; and
- (2) satisfactory proof that the Claimant is Terminal, including a Physician's written statement.

The Company reserves the right to decide whether such proof is satisfactory.

Before paying an Accelerated Death Benefit, the Company must also receive the written consent of any irrevocable beneficiary, assignee or bankruptcy court with an interest in the benefit. Before paying an Accelerated Death Benefit for your Dependent spouse, the Company must also receive your written consent. (See Limitations 3, 4, 5, and 6.)

NOTE: THIS IS NOT A LONG-TERM CARE POLICY. RECEIVING THIS ACCELERATED DEATH BENEFIT WILL REDUCE THE BENEFIT PAYABLE AT DEATH. ANY AMOUNT WITHDRAWN MAY BE TAXABLE INCOME, SO YOU SHOULD CONSULT A TAX ADVISOR BEFORE APPLYING FOR THIS BENEFIT.

AMOUNT OF THE BENEFIT. You may elect to withdraw an Accelerated Death Benefit in any \$1,000 increment; subject to:

**CERTIFICATE AMENDMENT
(Continued)**

- (1) a minimum of \$1,000 or 10% of the Claimant's amount of Life Insurance (whichever is greater); and
- (2) a maximum of \$250,000 or 75% of the Claimant's amount of Life Insurance (whichever is less).

To determine the Accelerated Death Benefit, the Company will use the lesser of A or B below:

- A. the Claimant's amount of Life Insurance which is in force on the day before the Accelerated Death Benefit is paid; or
- B. the Claimant's amount of Life Insurance which would be in force 12 months after that date; if the coverage is scheduled to reduce, due to age, within 12 months after the Accelerated Death Benefit is paid.

ADMINISTRATIVE CHARGE: NONE

WITHDRAWAL FEE: NONE

EFFECT ON AMOUNT OF LIFE INSURANCE. "Remaining Life Insurance" means the amount of Life Insurance which remains in force on the Claimant's life after an Accelerated Death Benefit is paid. The Remaining Life Insurance will equal:

- (1) the Claimant's amount of Life Insurance which was used to determine the Accelerated Death Benefit (A or B above); minus
- (2) any percentage by which the Claimant's coverage is scheduled to reduce, due to age; if the reduction occurs more than 12 months after the Accelerated Death Benefit is paid, and while he or she is still living; minus
- (3) the amount of the Accelerated Death Benefit withdrawn.

PREMIUM: There is no additional charge for this benefit. Continuation of the Remaining Life Insurance will be subject to timely payment of the premium for the reduced amount; unless you qualify for waiver of premium under the Policy's Extension of Death Benefit provision, if included.

CONDITIONS. If the Claimant exercises the Conversion Privilege after an Accelerated Death Benefit is paid, the amount of the conversion policy will not exceed the amount of his or her Remaining Life Insurance. If the Claimant has Accidental Death and Dismemberment benefits under the Policy, the Principal Sum will not be affected by the payment of an Accelerated Death Benefit.

EFFECT ON DEATH BENEFIT. When the Claimant dies after an Accelerated Death Benefit is paid, the amount of Remaining Life Insurance in force on the date of death will be paid as a Death Benefit. Your Death Benefit will be paid in accord with the Beneficiary section of the Policy. Your Dependent spouse's Death Benefit will be paid to you, or in accord with the Dependent Life Insurance section of the Policy. If the Claimant dies after application for an Accelerated Death Benefit has been made, but before the Company has made payment; then the request will be void and no Accelerated Death Benefit will be paid. The amount of Life Insurance in force on the date of death will be paid in accord with Policy provisions.

EFFECT ON TAXES AND GOVERNMENT BENEFITS. Any Accelerated Death Benefit amount withdrawn may be taxable income to you. Receipt of the Accelerated Death Benefit may also affect the Claimant's eligibility for Medicaid, Supplemental Security Income and other government benefits. The Claimant should consult his or her own tax and legal advisor before applying for an Accelerated Death Benefit. The Company is not responsible for any tax owed or government benefit denied, as a result of the Accelerated Death Benefit payment.

**CERTIFICATE AMENDMENT
(Continued)**

LIMITATIONS. No Accelerated Death Benefit will be paid:

- (1) if any required premium is due and unpaid;
- (2) on any conversion policy purchased in accord with the Conversion Privilege;
- (3) without the written approval of the bankruptcy court, if you have filed for bankruptcy;
- (4) without the written consent of the beneficiary, if you have named an irrevocable beneficiary;
- (5) without your written consent, if the Claimant is your Terminal Dependent spouse;
- (6) without the written consent of the assignee, if you have assigned your rights under the Policy;
- (7) if any part of the Life Insurance must be paid to your child, spouse or former spouse; pursuant to a legal separation agreement, divorce decree, child support order or other court order;
- (8) if the Claimant is Terminal due to a suicide attempt, while sane or insane; or due to an intentionally self-inflicted injury;
- (9) if a government agency requires you or the Claimant to use the Accelerated Death Benefit to apply for, receive or continue a government benefit or entitlement; or
- (10) if an Accelerated Death Benefit has been previously paid for the Claimant under the Policy.

This Amendment takes effect on your effective date of coverage under the Policy. However, if you are not Actively at Work on that date, the change will not take effect until the date you resume Active Work. In all other respects, the Policy remains the same.

- (1) 90 days after receiving the first proof of a death or dismemberment claim; or
- (2) 45 days after receiving the first proof of a claim for any Extension of Death Benefit, Living Benefit or Accelerated Death Benefit available under the Policy.

Delay Notice. If the Company needs more than 15 days to process a claim, in a special case; then an extension will be permitted. If needed, the Company will send the claimant a written delay notice:

- (1) by the 15th day after receiving the first proof of claim; and
- (2) every 30 days after that, until the claim is resolved.

The notice will explain the special circumstances which require the delay, and when a decision can be expected. In any event, the Company must send written notice of its decision within:

- (1) 180 days after receiving the first proof of a death or dismemberment claim; or
- (2) 105 days after receiving the first proof of a claim for any Extension of Death Benefit, Living Benefit or Accelerated Death Benefit available under the Policy.

If the Company fails to do so; then there is a right to an immediate review, as if the claim was denied.

Exception: If the Company needs more information from the claimant to process a claim; then it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for claim processing.

REVIEW PROCEDURE. The claimant may request a claim review, within:

- (1) 60 days after receiving a denial notice of a death or dismemberment claim; or
- (2) 180 days after receiving a denial notice of a claim for any Extension of Death Benefit, Living Benefit or Accelerated Death Benefit available under the Policy.

To request a review, the claimant must send the Company a written request, and any written comments or other items to support the claim. The claimant may review certain non-privileged information relating to the request for review.

Notice of Decision. The Company will review the claim and send the claimant a written notice of its decision. The notice will explain the reasons for the Company's decision, under the terms of the Policy and any internal guidelines. If the Company upholds the denial of all or part of the claim; then the notice will also describe:

- (1) any further appeal procedures available under the Policy;
- (2) the right to access relevant claim information; and
- (3) the right to request a state insurance department review, or to bring legal action.

For a death or dismemberment claim, the notice will be sent within 60 days after the Company receives the request for review; or within 120 days, if a special case requires more time. For a claim for any Extension of Death Benefit, Living Benefit or Accelerated Death Benefit available under the Policy, the notice will be sent within 45 days after the Company receives the request for review; or within 90 days, if a special case requires more time.

CLAIMS PROCEDURES (Continued)

Delay Notice. If the Company needs more time to process an appeal, in a special case; then it will send the claimant a written delay notice, by the 30th day after receiving the request for review. The notice will explain:

- (1) the special circumstances which require the delay;
- (2) whether more information is needed to review the claim; and
- (3) when a decision can be expected.

Exception: If the Company needs more information from the claimant to process an appeal; then it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for appeal processing.

Claims Subject to ERISA (Employee Retirement Income Security Act of 1974). Before bringing a civil legal action under the federal labor law known as ERISA, an employee benefit plan participant or beneficiary must exhaust available administrative remedies. Under the Policy, the claimant must first seek two administrative reviews of the adverse claim decision, in accord with this section. If an ERISA claimant brings legal action under Section 502(a) of ERISA after the required reviews; then the Company will waive any right to assert that he or she failed to exhaust administrative remedies.

RIGHT OF RECOVERY. If benefits have been overpaid on any claim; then full reimbursement to the Company is required within 60 days. If reimbursement is not made; then the Company has the right to:

- (1) reduce future benefits until full reimbursement is made; and
- (2) recover such overpayments from you, or from your Beneficiary or estate.

Such reimbursement is required whether the overpayment is due to fraud, the Company's error in processing a claim, or any other reason.

LEGAL ACTIONS. No legal action to recover any benefits may be brought until 60 days after the required written proof of claim has been given. No such legal action may be brought more than three years after the date written proof of claim is required.

COMPANY'S DISCRETIONARY AUTHORITY. Except for the functions that the Policy clearly reserves to the Group Policyholder or Employer, the Company has the authority to:

- (1) manage the Policy and administer claims under it; and
- (2) interpret the provisions and resolve questions arising under the Policy.

The Company's authority includes (but is not limited to) the right to:

- (1) establish and enforce procedures for administering the Policy and claims under it;
- (2) determine your eligibility for insurance and entitlement to benefits;
- (3) determine what information the Company reasonably requires to make such decisions; and
- (4) resolve all matters when a claim review is requested.

Any decision the Company makes, in the exercise of its authority, shall be conclusive and binding; subject to you or your Beneficiary's rights to:

- (1) request a state insurance department review; or
- (2) bring legal action.

**NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER THE NORTH CAROLINA
LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT**

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies and Health Maintenance Organizations (HMOs) licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer or HMO becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted *in the box* below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. *On the back of this page* is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

Coverage

Generally, individuals will be protected by the life and health insurance guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer or HMO. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

Exclusions From Coverage

However, persons holding such policies are not protected by this association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- Their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange;
- They acquired rights to receive payments through a structured settlement factoring transaction.

The association also does not provide coverage for:

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed the average rate specified in the law;
- Dividends;
- Experience or other credits given in connection with the administration of a policy for a group contract holder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contract holders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered; or
- A policy or contract commonly known as Medicare Part C, Medicare Part D, Medicaid or any regulations issued pursuant thereto.

Limits On Amount Of Coverage

The act also limits the amount the association is obligated to pay out as follows:

- (1) The guaranty association cannot pay more than what the insurance company would owe under the policy or contract.
- (2) Except as provided in (3), (4) and (5) below, the guaranty association will pay a maximum of \$300,000 per individual, per insolvency, no matter how many policies or types of policies issued by the insolvent company.
- (3) The guaranty association will pay a maximum of \$500,000 with respect to a health benefit plan.
- (4) The guaranty association will pay a maximum of \$1,000,000 with respect to the payee of a structured settlement annuity.
- (5) The guaranty association will pay a maximum of \$5,000,000 to any one unallocated annuity contract holder.

CERTIFICATE AMENDMENT

TO BE ATTACHED TO THE CERTIFICATE FOR GROUP POLICY NO: 000400001000

ISSUED TO: The Commerce Trust Company as Trustee for The Lincoln National Life Insurance Company Voluntary Insurance Trust

For Participating Employer: City of Goldsboro (29144)

It is agreed that the above policy be amended as follows.

Any exclusion for suicide for a death benefit under life insurance coverage is amended to read as follows:

EXCLUSION. Benefits will not be payable if your death or the death of your Dependent:

- (1) results from suicide while sane or insane; and
- (2) occurs within one year after your Personal Life Insurance or insurance for that Dependent takes effect.

If benefits are not payable as a result of your or your Dependent's suicide, the Company will promptly refund any premium from your or your Dependent's Effective Date of coverage.

If there is an increase to your amount of Personal Life Insurance or your Dependent's amount of life insurance following the Effective Date of coverage, the one-year period will apply; but only for the increased Amount of Personal Life Insurance or the increased amount of Dependent's life insurance.

If you or your Dependent were covered under any prior group life insurance policy that the Policy replaced with 1 day of the prior plan's termination date, the continuous months of coverage under the prior plan just before it terminated will count toward the one-year period.

The effective date of this Certificate Amendment is **January 1, 2025 or your effective date of coverage under the Policy (whichever is later)**; but only with respect to losses incurred on or after that date. Nothing contained in this Certificate Amendment shall change any of the terms and conditions of the Policy, except as stated above.
