U.S. Business Intermediary and Producer Compensation Notice

Metropolitan Life Insurance Company, Metropolitan Tower Life Insurance Company, and Metropolitan General Insurance Company (collectively herein called “MetLife”), enters into arrangements concerning the sale, servicing and/or renewal of MetLife group insurance and certain other group-related products (“Products”) with brokers, agents, consultants, third party administrators, general agents, associations, and other parties that may participate in the sale, servicing and/or renewal of such products (each an “Intermediary”). MetLife may pay your Intermediary compensation, which may include, among other things, base compensation, supplemental compensation and/or a service fee. MetLife may pay compensation for the sale, servicing and/or renewal of products, or remit compensation to an Intermediary on your behalf. Your Intermediary may also be owned by, controlled by or affiliated with another person or party, which may also be an Intermediary and who may also perform marketing and/or administration services in connection with your products and be paid compensation by MetLife.

Base compensation, which may vary from case to case and may change if you renew your products with MetLife, may be payable to your Intermediary as a percentage of premium or a fixed dollar amount. MetLife may also pay your Intermediary compensation that is based upon your Intermediary placing and/or retaining a certain volume of business (*number of products sold or dollar value of premium*) with MetLife. In addition, supplemental compensation may be payable to your Intermediary for eligible Products. Under MetLife’s current supplemental compensation plan (SCP), the amount payable as supplemental compensation may range from 0% to 8% of premium. The supplemental compensation percentage may be based on one or more of: (1) the number of products sold through your Intermediary during a one-year period, or other defined period; (2) the amount of premium or fees with respect to products sold through your Intermediary during a one-year period; (3) the persistency percentage of products inforce through your Intermediary during a one-year period; (4) the block growth of the products inforce through your Intermediary during a one-year period; (5) premium growth during a one-year period; or (6) a flat amount, fixed percentage or sliding scale of the premium for products as set by MetLife. The supplemental compensation percentage will be set by MetLife based on the achievement of the outlined qualification criteria and it may not be changed until the following SCP plan year. As such, the supplemental compensation percentage may vary from year to year, but will not exceed 8% under the current supplemental compensation plan.

The cost of supplemental compensation is not directly charged to the price of our products except as an allocation of overhead expense, which is applied to all eligible group insurance products, whether or not supplemental compensation is paid in relation to a particular sale or renewal. As a result, your rates will not differ by whether or not your Intermediary receives supplemental compensation. If your Intermediary collects the premium from you in relation to your products, your Intermediary may earn a return on such amounts. Additionally, MetLife may have a variety of other relationships with your Intermediary or its affiliates, or with other parties, that involve the payment of compensation and benefits that may or may not be related to your relationship with MetLife (*e.g., insurance and employee benefits exchanges, enrollment firms and platforms, sales contests, consulting agreements, participation in an insurer panel, or reinsurance arrangements*).

More information about the eligibility criteria, limitations, payment calculations and other terms and conditions under MetLife’s base compensation and supplemental compensation plans can be found on MetLife’s Website at www.metlife.com/business-and-brokers/broker-resources/broker-compensation. Questions regarding Intermediary compensation can be directed to ask4met@metlifeservice.com, or if you would like to speak to someone about Intermediary compensation, please call (800) ASK 4MET. In addition to the compensation paid to an Intermediary, MetLife may also pay compensation to your representative. Compensation paid to your representative is for participating in the sale, servicing, and/or renewal of products, and the compensation paid may vary based on a number of factors including the type of product(s) and volume of business sold. If you are the person or entity to be charged under an insurance policy or annuity contract, you may request additional information about the compensation your representative expects to receive as a result of the sale or concerning compensation for any alternative quotes presented, by contacting your representative or calling (866) 796-1800.
