CONTRIBUTING IS A SNAP!

Contributing funds lowers your taxable income, allowing you to build a “nest egg” for future healthcare expenses. Contributions to your HSA may be made by you, your employer or anyone else; however, the preferred tax treatment will only be realized by you.

You can contribute money to your account in several convenient ways, including:

Direct Deposit – Direct deposit can be facilitated through the the mSAVE Employee Portal by your employer or by your payroll provider. These contributions can be deducted from your paycheck on a pre-tax or post-tax basis, depending upon your employer’s benefit program.

Funds Transfer – Within the the mSAVE Employee Portal, you can make one-time electronic transfers from other financial institutions. They are fast and easy!

Account Transfer – If you have an existing Health Benefit Account or IRA, you may be eligible to either rollover or transfer the funds to your new HSA. Required forms are available within the the mSAVE Employee Portal or you may contact Avidia Bank for further assistance.

Checks – If you prefer, you can send us a check by mail to Avidia Bank, P.O. Box 370, Hudson, MA 01749. The check should be made payable to Avidia Bank and either include a deposit slip from your checkbook or simply write your account number in the memo line.

2019 HSA Contribution Limits

Single: \$3,500 **Family:** \$7,000

2019 Catch-up Contributions

Participants age 55 or older may make additional contributions above the set HSA maximum.

Single: \$1,000 **Family:** \$1,000

MAXIMIZING YOUR CONTRIBUTIONS

As you decide how much to contribute, it’s important to note that contributing the maximum allowable amount helps you to get the most from your HSA. At the very least, you’ll want to contribute enough to cover anticipated healthcare expenses and contributions may be made until April 15 for the previous calendar year. Additionally, if you are 55 or older, you are allowed to make a \$1,000 catch-up contribution. The tax advantages of an HSA make it a powerful long-term savings vehicle. Keep in mind that HSA contribution limits established by the IRS may change each year and you must not over contribute to avoid adverse tax consequences.

A GREAT SAVINGS EXAMPLE:

A contribution of \$50 per month over 3 years:

Tax savings: \$463.64 Balance: \$1,854.54

Increase the contribution to \$200 per month over 3 years:

Tax Savings: \$1,854.54 Balance: \$7,418.16

Max. Family Contribution of \$6,750 per year over 3 years:

Tax Savings: \$5,215.89* Balance: \$20,863.57

*For illustrative purposes only. Savings calculations are based on 2017 HSA contribution limits and tax rate of 25%. Balance calculations assume an average interest rate of 3%. Actual results may vary.

Does this sound complicated? Don’t worry, there are tools within the the mSAVE Employee Portal that will help you monitor your contributions and help prevent over contributing. Additionally, contact us if you have questions, 888-488-5054. We are here to help.

PAYING FOR HEALTHCARE WITH EASE

Because you have enrolled in a High Deductible Health Plan, you no longer have to submit claims or wait to be reimbursed for medical expenses. With your HSA, accessing your funds to pay for qualified medical expenses is simple and tax-free. When you need access, the following options are available:

mSAVE Benefits Card Debit Card – Whether you are at the doctor's office or pharmacy, simply swipe your card and you're done. Additionally if you are paying by mail, phone or online just provide your mSAVE Benefits Card debit card number to complete your transaction.

Checks – If you prefer to write checks, they can be ordered while opening your account at no charge and provide an alternative payment method. Although this is a conventional approach, you can't go wrong by writing a check.

Bill Pay – Within the the mSAVE Employee Portal, you can enroll for the Bill Pay feature. Once enrolled, you can add your payees.

Reimbursing Yourself – If you do not have enough funds in your HSA or prefer to pay out-of-pocket for qualified medical expenses, keep your receipts. Later on you can choose to reimburse yourself.

QUALIFIED MEDICAL EXPENSES

Qualified medical expenses are those directly related to the alleviation or prevention of physical or mental illness. Amounts paid for over-the-counter drugs are no longer qualified medical expenses unless prescribed by a doctor. This requirement does not apply to expenses such as insulin and diabetic supplies, bandages, band-aids or contact lens supplies. Expenses generally can be for yourself, your spouse, or your dependent children, regardless if they are covered by your health plan. HSA funds can be used to pay for qualified medical expenses such as:

- » Medical Care
- » Vision
- » Physicals
- » Deductible Payments
- » Dental
- » Prescriptions
- » Chiropractic
- » Medical Equipment
- » Certain Healthcare Premiums (Cobra, LTC, Medicare A/B/C/D)

KEEP GREAT RECORDS!

Keep track of your expenses and payments by using the the mSAVE Employee Portal to see balances, view transactions, create reports and upload receipts. Also, based upon your health plan, some of your expenses may apply toward your deductible. If you use your HSA funds for non-qualified medical expenses, and are under the age of 65, you may incur a 20% penalty and owe income taxes on the amount used. However, qualified medical expenses remain tax-free after age 65.

HSA INVESTMENT OPTIONS & TAX ADVANTAGES

Since your HSA is a tax-exempt account, it makes sense to use it to its fullest by making regular contributions. During the year, if you don't use all of your HSA funds, they roll over for future use. Once your HSA reaches the \$1,000 balance threshold, within the mSAVE Employee Portal you can self-enroll for the Devenir investment account* (Figure 1). Based upon your objectives, there are numerous Mutual Funds to select from. You can use the transfer feature within the portal to move funds between the investment and transactional component of your HSA.

HSAs OFFER A TRIPLE TAX ADVANTAGE

- 1. Money Goes In Tax-Free** - Most employers offer a payroll deduction plan that allows you to make contributions to your HSA on a pre-tax basis. The deduction is deposited into your HSA prior to taxes being applied to your paycheck, making your savings immediate. You can also contribute to your HSA post-tax and recognize the same tax savings by claiming the deduction when filing your annual taxes.
- 2. Money Comes Out Tax-Free** - Eligible medical purchases can be made tax-free when you use your HSA. You can also pay out-of-pocket for eligible medical expenses and then reimburse yourself from your HSA. You can use your benefits debit card, online bill pay or write a check.
- 3. Earn Interest Tax-Free** - The interest on HSA funds grows on a tax-free basis. Unlike most savings accounts, interest earned on an HSA is not considered taxable income when the funds are used for eligible medical expenses.

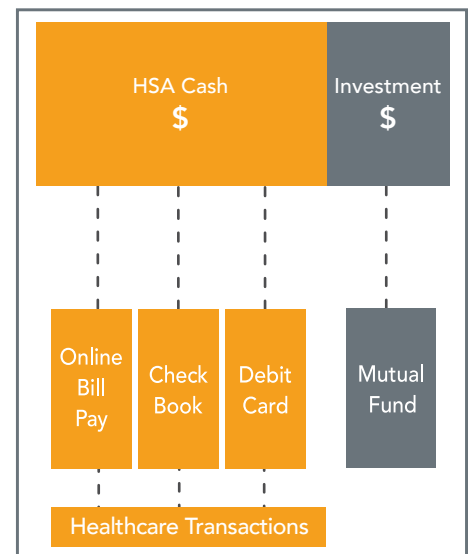

The only time you may pay taxes or penalties on your HSA funds is if you make a non-eligible purchase or if you contribute more than the yearly maximum contribution limit. However, both circumstances can be corrected free of tax penalties by April 15 of the following calendar year.

HOW CAN AN HSA HELP SECURE MY RETIREMENT?

Participation in an HSA allows you to invest both pre- and post-tax dollars to prepare for retirement. Although your funds can be used to pay for immediate healthcare expenses tax-free, you can also save the money for healthcare expenses later in life. Whether you withdraw the money tomorrow, five years from now, or in retirement, funds used for qualified healthcare expenses are always tax-free.
