

# Identity Theft Protection

Legal Resources' Identity Protection Plans provide you and your family with peace of mind so you can focus on what matters most.

## How The Plan Works

- 1 Coverage Starts on Day One.** Whether you enrolled through your employer during open enrollment or as a new hire, insurance and restoration services begin on day one of your effective date.
- 2 Watch for Your Welcome Email.** Once you have enrolled, you will receive a welcome email from [noreply@info.idprotectiononline.com](mailto:noreply@info.idprotectiononline.com) with everything you need to set up your personal dashboard. This dashboard gives you access to all of your plan's features and tools. If you have issues accessing the email, contact our Member Services team for assistance at 800-728-5768.
- 3 Set Up Your Dashboard.** Click the link in the email to create your secure account. From your portal dashboard, you can view resources, monitor activity, and manage your plan.
- 4 Add Family Members (If Applicable).** If you enrolled in a family plan, you can add your dependents through the dashboard.

### Monitor

Keep your identity secure with:

- Credit monitoring
- Personal information monitoring

### Control

Stay informed through your personal dashboard.

- Monthly identity risk alerts
- Online data protection tools

### Alert

Early warnings allow you to take action fast.
